HOW TO DO A PROPER

Peachy Bun

A
Peach Perfect
Bun
Every Time!
♡

SLEEK ♡ SECURE ♡ STUDIO READY

1 Start with clean, brushed hair and make a sleek ponytail at the desired height (center part for most classes).

2 Place a hair donut (if desired) over the ponytail.

3 Spread the hair evenly around the donut.

4 Wrap the hair around the donut, keeping it tight and smooth. Secure with bobby pins as you go.

5 Continue pinning until the bun is secure on all sides.

6 Make sure all hair is tucked in and smooth.

7 Spray with hairspray to keep it in place all class long.

8 Check for any flyaways and smooth with a brush or more hairspray if needed.
